LICENSE AGREEMENT ADDENDUM

The County School Board of Henrico County, Virginia (the "**County**") and GameSalad, Inc. ("**Supplier**"), a Texas corporation, are this day entering into an agreement for Non-Professional Services Informal Request for Proposal 9573 - for Business and Information Software for Workforce and career Development Students (the "**Agreement**") and, for their mutual convenience, the parties are using the standard form contract ("GameSalad.com Terms of Service version 8, 25 2019") provided by Supplier ("**Contract**"). This License Agreement Addendum ("**LAA**"), duly signed by the County and Supplier (each a "**Party**"), is attached to and made a part of the Agreement and the Contract by incorporation, and with the Agreement governs the use of any and all software licensed by the County under the Agreement (the "**Software**") and this LAA.

Supplier's Contract is generally acceptable to the County, with the exceptions noted in this LAA below. Despite the general acceptability of the Contract, certain standard clauses may appear in, or be incorporated by reference into, the Contract that cannot be accepted by the County. In consideration of the convenience of using Supplier's standard form contract without the necessity of specifically negotiating a separate contract document, the Parties specifically agree that any of the following provisions contained in the Contract are deemed void and will not have any effect and will not be enforceable against the County:

1. Requiring the application of the law of any state other than the Commonwealth of Virginia in interpreting or enforcing the Contract or requiring or permitting that any dispute under the Contract be resolved in any court other than the state courts located in Henrico County, Virginia;
 2. Requiring any total or partial compensation or payment for lost profit or liquidated damages by the County if the Contract is terminated before the end of its ordinary term;
 3. Imposing any interest charge(s) contrary to that specified by § 2.2-4347 *et seq.* of the Code of Virginia;
 4. Requiring the County to maintain any type of insurance for Supplier's benefit;
 5. Granting Supplier a security interest in any property of the County;
 6. Requiring the County to indemnify, defend, or to hold harmless Supplier or any other entity or person for any act or omission;
 7. Limiting or adding to the time period within which claims can be made or actions can be brought (Reference Tit. 8.01 of the Code of Virginia);
 8. Limiting selection and approval of counsel and approval of any settlement in any claim arising under the Contract and in which the County is a named party;
 9. Binding the County to any arbitration or to the decision of any arbitration board, commission, panel or other entity;
 10. Obligating the County to pay costs of collection or attorney's fees;
 11. Requiring any dispute resolution procedure(s) other than those in accordance with § 2.2-4363 *et seq.* of the Code of Virginia;
 12. Permitting Supplier to access any of the County's records or data, except pursuant to court order;
 13. Permitting Supplier to use any information provided by the County except for Supplier's own internal administrative purposes;
 14. Requiring the County to limit its rights or waive its remedies at law or in equity;
 15. Bestowing any right, or incurring any obligation, that is beyond the duly granted authority of the undersigned representative of the County to bestow, or incur, on behalf of the County;
 16. Establishing a presumption of severe or irreparable harm to Supplier by the actions or inactions of the County;
-

17. Limiting the liability of Supplier for property damage, death, or personal injury;
 18. Permitting Supplier to assign, subcontract, delegate or otherwise convey the Contract, or any of its rights and obligations under the Contract, to any entity without the prior written consent of the County, except as set forth in paragraph 40 below;
 19. Not complying with the contractual claims provision § 2.2-4363 of the Code of Virginia, which is also incorporated into this LAA and the Contract by reference;
 20. Enforcing the United Nations Convention on Contracts for the International Sale of Goods and all other laws and international treaties or conventions relating to the sale of goods. They are expressly disclaimed. UCITA shall apply to the Contract only to the extent required by § 59.1-501.15 of the Code of Virginia;
 21. Not complying with all applicable federal, state, and local laws, regulations, and ordinances;
 22. Requiring that the County waive its sovereign immunity or its immunity;
 23. Requiring that the County, which is tax exempt, be responsible for payment of any taxes, duties, or penalties;
 24. Requiring or construing that any provision in this Contract conveys any rights or interest in the County's data to Supplier;
 25. Requiring the use of foreign currency. The currency used for the Contract will be United States Dollars;
 26. Obligating the County beyond approved and appropriated funding. All payment obligations from the County under the Contract are subject to receipt of necessary appropriations from the County's Board of Supervisors. In the event of non-appropriation of funds for the items under the Contract, the County may terminate, in whole or in part, the Contract or any order, for those goods or services for which funds have not been appropriated. This may extend to the renewal of maintenance services for only some of the licenses granted by Supplier. The County shall provide written notice to the Supplier as soon as possible after legislative action is completed. There will be no time limit for termination due to termination for lack of appropriations;
 27. Permitting unilateral modification of the Contract by Supplier;
 28. Permitting termination by Supplier of the Contract or the licenses granted pursuant to the Contract, or permitting suspension of services by Supplier, except pursuant to an order from a court of competent jurisdiction;
 29. Requiring or stating that the terms of the Supplier's standard form contract will prevail over the terms of this LAA in the event of conflict;
 30. Renewing or extending the Contract beyond the term set forth in the Agreement or automatically continuing the Contract period from term to term;
 31. Requiring that the Contract be "accepted" or endorsed by the home office or by any other officer subsequent to signing by an official of the County before the Contract is considered in effect;
 32. Delaying the acceptance of the Contract or its effective date beyond the date of signing;
 33. Defining "perpetual" license rights to have any meaning other than license rights that exist in perpetuity unless otherwise terminated in accordance with the applicable provisions of the Contract;
 34. Permitting modification or replacement of the Contract pursuant to any new release, update or upgrade of Software, or subsequent renewal of maintenance. If Supplier provides any update or upgrade subject to additional payment, the County will have the right to reject such update or upgrade;
 35. Requiring the purchase of a new release, update, or upgrade of Software, or subsequent renewal of maintenance, in order for the County to receive or maintain the benefits of Supplier's
-

indemnification of the County against any claims of infringement on any third-party intellectual property rights;

36. Prohibiting the County from transferring or assigning to any entity the Contract or any license to Software granted pursuant to the Contract;
37. Granting Supplier or an agent of Supplier the right to audit or examine the books, records, or accounts of the County; or
38. Requiring the County to waive its right to a jury trial.

In addition to the provisions set forth above in this LAA, the Parties further agree as follows:

39. Supplier warrants that it is the owner of the Software or otherwise has the right to grant to the County the license to use the Software granted under the Contract without violating or infringing any law, rule, regulation, copyright, patent, trade secret, or other proprietary right of any third party.
40. Supplier may assign all or any of its rights and obligations to a third party as a result of a merger or acquisition or sale of all or substantially all of its assets to the third party so long as Supplier's assignee agrees in writing to be bound by the terms and conditions set forth in the Contract, and provided the third party is a U.S.-based entity or maintains a registered agent and a certification of authority to do business in Virginia. Supplier may assign all or any of its rights and obligations to an affiliate of Supplier, provided Supplier remains liable for the affiliate's compliance with the terms and conditions set forth in this Contract
41. Supplier agrees to indemnify, defend and hold harmless the County of Henrico (including Henrico County Public Schools), the County's officers, agents and employees, from any claims, damages, suits, actions, liabilities and costs of any kind or nature, including attorneys' fees, to the extent the claim in any way relates to, arise out of or result from: (i) any negligent act, negligent omission, or intentional or willful conduct of any employee or subcontractor of Supplier, (ii) any breach of any representation, warranty or covenant of Supplier contained in the Contract and LAA, (iii) any defect in the Software, or (iv) any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the Software.
42. The County will only be liable to pay for Supplier's travel-related expenses, including transportation, meals, lodging and incidental expenses that have been authorized by the County in advance. The travel-related expenses will be reimbursable at the County's then-current per diem rates.
43. The County may require that Supplier personnel submit to a criminal background check prior to performance of any services under the Contract.
44. Payments for license fees, including subscription fees, and support services are only authorized to be made to the Supplier pursuant to the Contract.

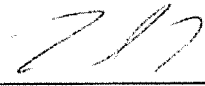

Together with the Agreement, the Contract and this LAA constitute the entire agreement between the Parties and may not be waived or modified except by written agreement between the Parties.

HENRICO COUNTY PUBLIC SCHOOLS

DATA SECURITY AGREEMENT

This Data Security Agreement ("Agreement") is agreed upon effective September 30, 2021, by and between GameSalad, Inc. ("Vendor") and the County School Board of Henrico County, Virginia ("HCPS").

I. DEFINITIONS

- A. **HCPS Data:** HCPS Data is any and all data that HCPS has disclosed to Vendor. For the purposes of this Agreement, HCPS Data does not cease to be HCPS Data solely because it is transferred or transmitted beyond HCPS's immediate possession, custody, or control.
- B. **Data Breach:** The unauthorized access and acquisition of computerized data that materially compromises the security or confidentiality of confidential or sensitive personal information maintained by HCPS as part of a database of personal information regarding multiple individuals and that causes or HCPS reasonably believes has caused or will cause loss or injury to any HCPS constituent.
- C. **System:** An assembly of components that supports an operational role or accomplishes a specific objective. This may include a discrete set of information resources (network, server, computer, software, application, operating system or storage devices) organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information.
- D. **Contract.** Shall mean the contract between Vendor and HCPS outlining the services to be provided.

II. DISCLOSURE OF HCPS DATA

- A. The Vendor shall not disclose HCPS Data in any manner that would constitute a violation of state or federal law or the terms of this agreement including, without limitation, by means of outsourcing, sharing, retransfer, or access, to any person or entity, except:
- B. Employees or agents who actually and legitimately need to access or use HCPS Data in the performance of Vendor's duties to HCPS;
- C. Such third parties, such as but not limited to, vendors, suppliers or subcontractors, but only after such third party has agreed in writing and in advance of any disclosure, to be bound by confidentiality terms at least as stringent as the terms of this Agreement; or
- D. Any other third party approved by HCPS in writing and in advance of any disclosure, but only to the extent of such approval.

- E. The Vendor may also store HCPS Data on servers housed in datacenters owned and operated by third parties, provided the third parties take reasonable precautions to protect the security and confidentiality of HCPS data.

III. USE OF, STORAGE OF, OR ACCESS TO HCPS DATA

- A. Vendor shall only use, store, or access HCPS data:
 - 1. In accordance with, and only to the extent permissible under the contract for services; and
 - 2. In full compliance with any and all applicable laws and regulations, only to the extent applicable to Vendor, including the Family Educational Rights and Privacy Act (FERPA); and
- B. Vendor agrees that the use, storage, and access to HCPS Data shall be performed with that degree of skill, care, and judgment customarily accepted as sound, quality, and professional practices. Vendor shall implement and maintain safeguards necessary to ensure the confidentiality, availability, and integrity of HCPS Data. Vendor shall also implement and maintain any safeguards required to be implemented by applicable state and federal laws and regulations.
- C. HCPS reserves the right to request security information reasonably necessary to ascertain HCPS's own compliance with state and federal data privacy laws.
- D. If Vendor becomes aware that HCPS Data may have been accessed, disclosed, or acquired without proper authorization and contrary to the terms of this Agreement or the Contract, Vendor shall use reasonable efforts to alert HCPS of any Data Breach within two business days, and shall immediately take such actions as may be necessary to preserve forensic evidence and eliminate the cause of the Data Breach. Vendor shall give highest priority to immediately correcting any Data Breach and shall devote such resources as may be required to accomplish that goal. Vendor shall provide HCPS information necessary to enable HCPS to fully understand the nature and scope of the Data Breach. Upon request, Vendor shall provide HCPS information about what Vendor has done or plans to do to mitigate any deleterious effect of the unauthorized use or disclosure of, or access to, HCPS Data. In the event that a Data Breach requires Vendor's assistance for mitigation, such assistance shall be provided at no cost to HCPS. HCPS may discontinue any services or products provided by Vendor and any payments to Vendor until HCPS, in its sole discretion, determines that the cause of the Data Breach has been sufficiently mitigated.
- E. If Vendor is served with any subpoena, discovery request, court order, or other legal request or command that calls for disclosure of any HCPS Data, Vendor shall promptly notify HCPS in writing and provide HCPS sufficient time to obtain a court order or take any other action HCPS deems necessary to prevent disclosure or otherwise protect HCPS Data. In such event, Vendor shall provide HCPS prompt and full assistance in HCPS's efforts to protect HCPS Data. Where

Vendor is prohibited by law from notifying HCPS of a legal request for HCPS Data, Vendor will comply with all applicable laws and regulations with respect to the requested HCPS Data.

- F. Upon expiration or termination of the Contract, Vendor shall ensure that no Data Breach occurs and shall follow HCPS's instructions as to the preservation, transfer, or destruction of HCPS Data. The method of destruction shall be accomplished by "purging" or "physical destruction", in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88. Upon request by HCPS, Vendor shall certify in writing to HCPS that return or destruction of data has been completed. Prior to such return or destruction, Vendor shall continue to protect HCPS Data in accordance with this Agreement.
- G. This Agreement shall survive the expiration or earlier termination of the Contract. However, upon expiration or termination of the Contract, either party may terminate this Agreement.

2. Requirements for Use of the Site and Services

CHILDREN UNDER 13

For Personal Accounts on gamesalad.com

To ensure compliance with The Children's Online Privacy and Protection Act ("COPPA") regulations, GameSalad recognizes the privacy interests of children, and we encourage parents and guardians to take an active role in their children's online activities and interests. GameSalad's services and the Site are not intended for children under the age of 13 without the consent of a parent or legal guardian. GameSalad endeavors not to collect any personally identifiable information from children under the age of 13.

GameSalad designs its services and this Site to adults and not individuals under the age of 18. Personal Account Holders may utilize the service. Users under the age of 18 may do so only with the involvement of a parent or legal guardian.

For GameSalad for Educational Accounts

In a classroom scenario, educators can keep students' privacy protected and still use GameSalad by creating accounts owned by the educator or institution and ensuring that students do not divulge any personally identifiable information. COPPA requires that online service providers obtain parental consent before they knowingly collect personally identifiable information online from children who are under 13. Therefore, we only collect personal information through the Services from a child under 13 where that student's school, district, and/or teacher has agreed (via the terms described in the following paragraph) to obtain parental consent for that child to use the Services and disclose personal information to us or where the parent or legal guardian of a child has signed the child up to use the Services. If you are a student under 13, please do not send any personal information about yourself to us if your school, district, and/or teacher has not obtained this prior consent from your parent or guardian or if your parent or guardian has not signed you

up to use the Service, and please do not send any personal information other than what we request from you in connection with the Services. If we learn we have collected personal information from a student under 13 without parental consent being obtained by his or her parent, guardian, school, district, and/or teacher, or if we learn a student under 13 has provided us personal information beyond what we request from him or her, we will delete that information as quickly as possible. If you believe that a student under 13 may have provided us personal information in violation of this paragraph, please contact us at support@gamesalad.com.

You represent and warrant that you are of legal age to form a binding contract (or if not, you've received your parent's or guardian's permission to use the Services and gotten your parent or guardian to agree to these Terms on your behalf, as we described earlier, and also to agree to these Terms and their own behalf). If you're agreeing to these Terms on behalf of an organization or entity (for example, if you're an administrator agreeing to these Terms on behalf of your district), you represent and warrant that you are authorized to agree to these Terms on that organization or entity's behalf and bind them to these Terms. You also certify that you are legally permitted to use and access the Services and take full responsibility for the selection and use of and access to the Services. This Agreement is void where prohibited by law, and the right to access the Services is revoked in such jurisdictions.

Children Under 18

If you are 13 years of age or older, but not yet 18 years of age, you may only use the Site and Services with the consent of your parent or legal guardian. You should review these Terms with your parent or guardian to make sure that you and your parent or guardian understand the Terms. Your parent and legal guardian hereby agrees to assume full responsibility and liability for your acts and omissions in connection with your use of the Site and Services.

Compatible Devices and Access

Use of the Site and Services requires compatible devices, Internet access, and certain software (fees may apply), which may require periodic updates, and may be affected by the performance of these factors. High-speed Internet access is strongly recommended. You agree that these requirements and recommendations, which may change from time to time, are your responsibility.

3. Free Services and Fee-Based Services

The Services consist of: (i) services for which users are not required to pay any fee to GameSalad ("Free Services"); and (ii) services for which users must pay a fee to GameSalad before they can use such services ("Fee-Based Services"). Most of these Terms apply to both the Free Services and the Fee-Based Services. If different terms apply to either type of Services, we make this clear below in these Terms. GameSalad

reserves the right in the future to charge for your use of any portion of the Free Services at any time in its sole discretion, upon notice to you.

4. User Account

A user account ("Account") is required to access and use the Services. To create an Account, you must have an e-mail address. You represent and warrant that: (i) you will provide truthful, accurate, current, and complete Account registration information; (ii) you will promptly update such information if it changes to keep it accurate and complete; (iii) you are 13 years of age or older; and (iv) your use of the Site and Services does not violate any applicable law, rule or regulation. You hereby authorize GameSalad, either directly or through third parties, to make any inquiries we consider necessary to validate your Account registration data. You agree that you will not misrepresent yourself, or represent yourself as another user of the Site or the Services. Some Services may require you to create a "user name" and/or a "persona". You may not use a user name or persona that is used by someone else or that is vulgar or offensive or that otherwise violates these Terms. You are solely responsible for maintaining the confidentiality and security of your user name, persona and Account information, and for all activity occurring under your Account as a result of your failure to keep such information secure and confidential. GameSalad will not be responsible for any losses arising out of the unauthorized use of your Account. You may not allow any third party to use your Account for any purpose. You must notify GameSalad promptly in the event of any unauthorized use of your Account, user name or persona, or any other security breach. GameSalad has no liability to you or any third party for any loss or damage arising from your failure to comply with your obligations specified in this section. You agree that GameSalad may store and use the registration data you provide for use in maintaining and billing fees to your Account.

5. Fees

You must have an Account to use the Services. You can sign up for a free membership Account to access and use the basic version of the Services or any other Free Services, but to access and use the Fee-Based Services, you must pay GameSalad's then-current applicable fees for the Fee-Based Service you are purchasing (e.g. an annual subscription fee or one-time fee). Payments will be charged to your Account on the date on which the relevant Fee-Based Service is first made available to you ("Activation Date"). Thereafter, for subscription fees, on each anniversary of the Activation Date, your subscription will automatically renew and your Account will be charged for the then-current annual subscription fee, unless you cancel your subscription to the relevant Fee-Based Service before the upcoming anniversary of the Activation Date. Except as expressly stated by GameSalad in these Terms, all fees paid or owed by you are non-refundable.

You agree to pay all fees charged to your Account based on GameSalad's fees, charges, and billing terms then in effect as shown on the payment page of the Site. If you have a balance due on any Account, you agree that GameSalad may, and you hereby authorize GameSalad to, charge such unpaid fees to your PayPal account, or such other payment method accepted by GameSalad, or otherwise bill you for such unpaid fees or other applicable charges. If you do not pay any amount due on time, or if GameSalad cannot charge your PayPal account or other payment method for any reason, GameSalad, in addition to any other rights or remedies it may have, reserves the right to either immediately suspend or terminate your access to all or a portion of the Site and/or Services. All payments to your Account must be made from a source for which you are the named account holder. GameSalad is not liable for any loss caused by any unauthorized use of your PayPal account, or any other method of payment by a third party in connection with your use of the Site or Services, or the use of your Account. GameSalad reserves the right to change its fees and billing methods at any time; any changes to the fees or billing methods will be posted on the Site or through the Services. Your continued use of the Services after the changes have taken effect means that you accept such changes. You are responsible for paying any taxes that may apply, or relate to, your use of the Services (including, without limitation, any income or other taxes payable by you if you sell Executable Packages developed using the Services), in addition to the fees or other applicable charges due under these Terms.

6. Monetization Tools

GameSalad offers you various methods to generate advertising revenue through your Executable Package (as defined in Section 8 below) ("Monetization Tools"). If you are a user of our Free Services, some Monetization Tools will be automatically implemented within your Executable Package; if you are a user of our Fee-Based Services, you will have the option to utilize one or more Monetization Tools. The Monetization Tools may be provided by GameSalad or through third party vendors ("Monetization Vendors"). Whether your use of the Monetization Tools is automatic or optional, you may be required to agree to terms and conditions of the applicable Monetization Vendor(s) ("Monetization Vendor Terms"). Notwithstanding anything to the contrary in the Monetization Vendor Terms, by utilizing the Monetization Tools, you agree that:

- GameSalad or the applicable Monetization Vendor may place unique tags within your Executable Package in order to deliver advertisements or other promotions ("Ads") through your Executable Package.
- You will not attempt in any way to circumvent or interfere with the serving of Ads through your Executable Package.
- You may not, directly or indirectly, or allow any person or company to directly or indirectly, engage in or enable the use of any deceptive means, incentives, computerized, fraudulent or other invalid

means to increase the number of users, impressions, page views, click-throughs or any other measure of traffic on or in connection with an Ad embedded within your Executable Package. The foregoing restrictions include, as an example, any action by you to offer to any third person or end user of your Executable Package any inducement to click on any Ads.

- If you are a user of our Fee-Based Services, we will pay to you a percentage of revenue actually collected by us from Monetization Vendors on account of Ads served to your Executable Package ("Revenue Share") in accordance with each Monetization Vendor's terms. We will make payment to you of your Revenue Share within thirty (30) days after the end of the calendar month in which we actually collected the applicable revenue from our Monetization Vendor(s); provided, however, that if your Revenue Share does not exceed one hundred dollars (\$ 100.00), we will not send you a payment but will instead accrue such amounts to your Account until your Revenue Share exceeds such minimum. We reserve the right to withhold, in our sole discretion, up to fifteen percent (15%) of your Revenue Share against chargebacks and/or other uncollectible amounts. With each payment of your Revenue Share, we will include a written report stating the revenue we collected from our Monetization Vendor(s) on account of your Executable Package and a calculation of your Revenue Share; no additional information or data will be provided to you. Payment will be sent to you via PayPal to the account designated in your Account. We will also send you applicable tax documents (e.g., Form 1099) to the address you designate in your Account. Please note that no payment will be made to you if you have not provided to us all information requested in order to process payment to you in compliance with applicable tax regulations.
- If you are a user of our Free Services, you will receive no Revenue Share or any other compensation for the use of Monetization Tools within your Executable Package.

GAMESALAD MAKES NO WARRANTY OR REPRESENTATION WHATSOEVER REGARDING THE MONETIZATION TOOLS, THE SERVICES PROVIDED BY MONETIZATION PARTNERS, THE SUCCESS OF SUCH SERVICES, AS MEASURED IN ANY WAY, ANY CONTENT PROVIDED BY AN ADVERTISER (INCLUDING THE QUALITY OR CONTENT THEREOF), ANY INFORMATION, SERVICES OR PRODUCTS PROVIDED OR AVAILABLE THROUGH OR IN CONNECTION WITH THE MONETIZATION TOOLS, THE ADVERTISEMENTS, SITES LINKED THERETO OR THEREFROM OR ANY RESULTS OBTAINED THROUGH THE USE THEREOF. GAMESALAD HEREBY EXPRESSLY DISCLAIMS ANY AND ALL IMPLIED WARRANTIES RELATING TO THE MONETIZATION TOOLS, INCLUDING, WITHOUT LIMITATION (1) ANY WARRANTIES AS TO THE AVAILABILITY, ACCURACY OR CONTENT OF THE CONTENT, PRODUCTS OR SERVICES ADVERTISED, OR SITES LINKED THERETO OR THEREFROM; AND (2) ANY WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF THE MONETIZATION TOOLS.

7. Ownership of Content and Software

GameSalad and/or its third party licensors owns all right, title and interest in and to: (i) the information, features, applications, text, content, files, advertising, graphics, images, photos, videos and video clips, screenshots, art work, icons, audio, sounds, musical works, copyrighted text, works of authorship, descriptions, user and visual interfaces, widgets, third party user Submissions and Feedback (each as defined below), and other materials or information provided on and through the Site and Services (collectively, the "Content"); and (ii) the proprietary software, algorithms and code made available by GameSalad through the Site and Services (collectively, the "Software"), including, without limitation: (a) the downloadable software tool made available to you in object code form (the "GameSalad Tool"); (b) that portion of the Executable Package (as defined below) consisting of the GameSalad engine (the "GameSalad Engine"); and/or © the software that enables embedding of GameSalad Submissions in websites (the "GameSalad Embeddable Player") and (iii) the design, appearance, structure, selection, coordination, expression, look and feel, and arrangement of the Site, Services, Software and Content; and (iv) the domain names, trademarks, service marks, proprietary logos and other distinctive brand features found on, or in, the Site, Services, Software and Content. Notwithstanding the foregoing, your Submissions (including, without limitation, to the extent your Submissions are embodied in an Executable Package) and Feedback are not "Content" or "Software" for purposes of these Terms. You agree: (1) to use the Site, Services, Software and Content solely as expressly permitted by these Terms or as otherwise expressly permitted by GameSalad, and at all times in accordance with all applicable laws, rules and regulations; and (2) that your unauthorized use of the Site, Services, Software or Content may violate copyright, trademark, trade secret or patent laws, or various other intellectual property rights of GameSalad or third parties, unfair competition laws, the laws of privacy and publicity, and civil and criminal statutes.

8. License Grant From GameSalad for Services

To the extent that you use the Services, and subject to your compliance with these Terms, including, without limitation, your payment of all fees and other amounts due in connection with your use of the Fee-Based Services, and your execution of a EULA (as defined below) with each third party end user (except for end users who access Executable Packages through the GameSalad Embeddable Player) to whom you sell or otherwise provide an Executable Package (as defined below), GameSalad hereby grants you a limited, personal, revocable, non-exclusive, non-sublicensable, and non-transferable license to: (i) publish, publicly display, publicly perform, market, sell and license each Executable Package solely for your personal or commercial use, and solely on the Site or as desktop games, or as games for mobile applications including, without limitation, Apple products, in each case for use by third party end users who license the right to play the game embodied in each Executable Package for their own personal use from you; (ii) publish, publicly

display, publicly perform, market, sell and license each Executable Package solely for your personal or commercial use on other web sites as web-based games through the GameSalad Embeddable Player; and (iii) download and use the GameSalad Embeddable Player for the sole purpose of publicly displaying and performing Executable Packages. "Executable Package" means a game that can function independently of the GameSalad platform consisting of: (a) your Submission; and (b) the GameSalad Engine in object code form only.

If any Services are subject to additional license or use terms, then those terms will apply in addition to these Terms and such additional terms, if any, will be notified to you if and when you elect to purchase or download such Services. If any Services are for third party software, content and/or other copyrighted material ("Third Party Content"), then your use of such Third Party Content is governed by the acknowledgements, licensing terms and disclaimers for such Third Party Content.

For clarity, "personal or commercial use" means that you, as an individual and/or on behalf of any person or entity other than yourself in your personal capacity (e.g., on behalf of an employer, or as a game developer or contractor), may publish, publicly display, publicly perform, market, and sell each Executable Package to third party end users for a fee or free of charge. Any fees you charge are earned solely by you in your personal capacity as an individual or by your employer.

As a condition to being permitted to use the Services, you will ensure that you execute a binding written End User License Agreement ("EULA") with each third party end user to whom you sell or otherwise provide an Executable Package (except for end users who access Executable Packages through the GameSalad Embeddable Player). Each EULA must contain terms no less protective of GameSalad than the terms set forth in these Terms, including, without limitation, the terms specified herein under the headings "Ownership of Content and Software", "Prohibitions", "Reservation of Rights", "Warranty Disclaimer", "Limitation of Liability", and "Indemnification." You will provide complete and accurate copies of all EULA's to GameSalad within five (5) calendar days after any request from GameSalad. You will enforce each such EULA with at least the same degree of diligence that a reasonable software company would use to enforce similar agreements for its own non-open source software products that it sells and distributes. You will immediately notify GameSalad if you become aware of any material breach of any EULA, and will provide GameSalad with reasonably detailed information in connection with such breach. Upon the termination of any EULA, you will use all reasonable efforts to obtain from the end user all copies of the Executable Package in such end user's possession or control.

In using the Services, you will not commit any act, or refrain from taking any action, and you will not agree to any legal or other contractual terms, that reduce or otherwise negatively affect in any way, GameSalad's and its licensors' right, title and ownership of the intellectual property and other proprietary rights applicable to,

or embodied in, the Site, Services, Software (including, without limitation, the GameSalad Engine and GameSalad Embeddable Player), and Content. You will not remove any proprietary trademarks, logos or other designations of GameSalad's ownership, including without limitation, any "Made with GameSalad" or equivalent designation(s) from any Executable Package or the GameSalad Embeddable Player.

Without limiting any other rights or remedies of GameSalad, the limited license and the rights granted above will terminate automatically, without notice to you, if you breach, or threaten to breach any of the terms or conditions of these Terms.

9. Prohibitions

Except to the extent expressly permitted in these Terms, you may not: (i) copy, modify, adapt, translate, reverse engineer, reverse compile, decompile, disassemble, or attempt to discover the source code of any Software or Content (including any Submission) made available on or in connection with the Site, Services (including when made available through the GameSalad Embeddable Player on web sites) or Content, or make any derivative works of such Software; (ii) use any code, software, method or product to manipulate the Site, Services, Software or Content in any way that affects any user's experience in using, or ability to use, same; (iii) reproduce, publish, broadcast, transmit, download, cache, distribute, perform, display, sell, or in any way exploit any Software or Content; or (iv) remove any patent, copyright, trademark or other proprietary notices contained in any Software or Content. To the extent the prohibition specified above concerning the reverse engineering, disassembly or decompilation of Software violates applicable local law, and you wish to take any action in contravention of this prohibition to the extent you are permitted to do so under applicable local law, then you must notify GameSalad in writing not less than 90 calendar days before taking that proposed action. GameSalad will then discuss with you, the scope of any necessary reverse engineering, disassembly or decompilation that would be required in order to enable you to exercise your rights as permitted under applicable local law, and you hereby agree that GameSalad, may in its sole discretion, carry out any such reverse engineering, disassembly or decompilation on your behalf, at no cost to you.

You agree not to use or launch any automated system, including without limitation, "robots," "spiders," or "offline readers" that accesses the Site in a manner that sends more request messages to the GameSalad servers in a given period of time than a human can reasonably produce in the same period by using a conventional on-line web browser. Notwithstanding the foregoing, GameSalad grants the operators of public search engines permission to use spiders to copy materials from the site for the sole purpose of and solely to the extent necessary for creating publicly available searchable indices of the materials, but not caches or archives of such materials. GameSalad reserves the right to revoke these exceptions either generally or in specific cases. You agree not to collect or harvest any personally identifiable information,

including account names, from the Site, nor to use the communication systems provided by the Site (e.g., comments, email) for any commercial solicitation purposes. You agree not to solicit, for commercial purposes, any users of the Site with respect to their Content or Submissions.

If you use the GameSalad Embeddable Player on your website, you may not: (i) modify, build upon, or block any portion or functionality of the GameSalad Embeddable Player, including but not limited to links back to the Site; and (ii) sell advertising, sponsorships, or promotions for placement within the GameSalad Embeddable Player.

10. Reservation of Rights

Except for the limited licenses specified above, you acknowledge that you have no right, title or interest in or to the Site, Services, Software or Content. GameSalad and its licensors retain all right, title and interest in and to the Site, Services, Software and Content, including, without limitation, all intellectual property and other proprietary rights embodied therein, or associated therewith. Nothing in these Terms will be deemed a sale of the Software. By making them available on the Site, or through the Services, Software or Content, GameSalad is not granting you any license to use the domain names, trademarks, service marks, proprietary logos, and other distinctive brand features found on or in the Site, Services, Software or Content, unless otherwise expressly permitted by GameSalad. All rights not expressly granted by GameSalad in these Terms are hereby reserved by GameSalad and its licensors. There are no implied rights.

You acknowledge and agree that GameSalad may use the Software licensed to you hereunder to develop its own games and that GameSalad reserves the right to independently develop and publish games that may be substantially similar to your Submission(s). To the extent that any game independently developed by GameSalad appears substantially similar to any of Submissions, you hereby waive any claims you may have against GameSalad arising therefrom.

11. Links to Third Party Web Sites

The Site may provide links to other web sites that are not owned or operated by GameSalad ("Third Party Web Sites"). GameSalad provides these links to you as a convenience only, and GameSalad does not verify, make any representations concerning, or take responsibility for, such Third Party Web Sites, including, without limitation, the truthfulness, accuracy, quality, or completeness of the content of, or activities conducted on, such Third Party Web Sites. You should use your own independent judgment before accessing and using such Third Party Web Sites. These Terms and the Privacy Policy do not apply to such Third-Party Web Sites, and you should review such Third Party Web Sites' privacy policies, terms and conditions and business practices as they may be different to those of GameSalad and it is your sole

responsibility to comply with such terms. Your dealings and communications with any third party in connection with the Third Party Web Sites are solely between you and such third party. Any reference on the Site to any product, process, publication or service of any third party, by trade name, domain name, trademark, trade identity, service mark, logo, manufacturer or otherwise, does not constitute or imply GameSalad's endorsement or recommendation thereof, and your use of any Third Party Web Sites and third party product, process, publication, or service is entirely at your own risk.

12. Your Submissions

AS BETWEEN YOU AND GAMESALAD, YOU RETAIN OWNERSHIP OF ALL YOUR COPYRIGHT AND/OR OTHER INTELLECTUAL PROPERTY RIGHTS APPLICABLE TO, OR EMBODIED IN, YOUR SUBMISSIONS. You acknowledge and agree that you are solely responsible for the games, content, code, text, files, images, photos, screen shots, artwork, icons, videos, sounds, musical works, works of authorship, copyrighted text, descriptions, representations or any other materials or information that you submit, post or otherwise make available to GameSalad for publication and distribution, including, without limitation, games that you have developed and post on the Site using the Services, and games consisting of an Executable Package that you market, distribute, sell and license using the Services (each, a "Submission"), and that you, and not GameSalad, are solely and exclusively responsible for each such Submission, including, without limitation, ensuring that you have the legal right to post, provide, license, market, sell, or otherwise use, each Submission, and that such Submission does not violate these Terms, or the property or other rights of any third party. The term "Submission" does not include: (i) the GameSalad Tool; or (ii) that portion of the Executable Package consisting of the GameSalad Engine; (iii) the GameSalad Embeddable Player; or (iv) any other Software or Content.

You represent and warrant that each Submission is your own original creation, and/or that you have, or have obtained, all necessary permissions, rights, licenses, consents, and clearances to enable GameSalad to exercise the rights granted in these Terms and to use the Submissions for the foregoing purposes. To the extent you hold any rights that conflict with the rights you have granted as set forth in these Terms, you hereby waive, and agree not to assert, any moral or similar rights you may have, and which apply to your Submissions or Feedback which GameSalad uses within the scope of the licenses granted by you under these Terms.

13. Your Feedback and Support Requests

Certain areas of the Site and Services (e.g., blogs, online forums, chat rooms, games, and message boards) may permit you to provide feedback, comments, suggestions, ideas, messages, or similar information (collectively, "Feedback"). Feedback does not include any Submissions provided by you, and GameSalad's

rights to use Submissions provided by you, are solely as stated above. By submitting Feedback, and as a condition of using the Site and Services, you hereby grant GameSalad an irrevocable, perpetual, transferable, non-exclusive, fully-paid-up, royalty-free, worldwide, license (sublicensable through multiple tiers) to: (i) use, distribute, reproduce, modify, adapt, publish, translate, publicly perform, and publicly display your Feedback (or any modification thereto), in whole or in part, in any format or medium now known or later developed; and (ii) use (and permit others to use) your Feedback in any manner and for any purpose (including, without limitation, commercial purposes) that GameSalad deems appropriate in its sole discretion (including, without limitation, to incorporate your Feedback (or any modification thereto), in whole or in part, into any technology, product or service). GameSalad reserves the right to display advertisements in connection with Feedback and to use Feedback for advertising and promotional purposes. You acknowledge and agree that any Feedback provided by you is provided on a non-confidential basis. Feedback will generally be accessible by other users of the Site and Services, so be sure that any Feedback you post on any area of the Site or Services is information that you are comfortable sharing with others.

Requests for technical support should be addressed to customer support at gamesalad.com/contact for general support issues, and at gamesalad.com/bug/report for errors or bugs you want to report to GameSalad.

14. License Grant From You For Services

AS BETWEEN YOU AND GAMESALAD, YOU RETAIN OWNERSHIP OF ALL YOUR COPYRIGHT AND/OR OTHER INTELLECTUAL PROPERTY RIGHTS APPLICABLE TO, OR EMBODIED IN, YOUR SUBMISSIONS. You hereby grant GameSalad an irrevocable, perpetual, non-exclusive, worldwide, fully paid-up, royalty-free, transferable, sublicensable (with the right to sublicense through multiple tiers) license (in any media, whether now known or hereafter developed) to reproduce, create derivative works from, distribute, publicly perform, publicly display, modify, adapt, enhance, and otherwise use, the Submissions that you provide to GameSalad, solely for purposes of: (i) developing, creating, testing, delivering, maintaining, and supporting each Executable Package for use by you within the scope of the Services; (ii) hosting, publishing, publicly displaying and publicly performing each Executable Package on the Site at your request, and making such games available for use by users of the Site and Services; (iii) enabling Third Party Web Sites to embed all or portions of your Submissions into their web sites; (iv) marketing and promoting the Site and Services; and (v) hosting, providing, maintaining, adapting, enhancing, modifying and otherwise improving the Site, Services and Software. EXCEPT TO THE EXTENT YOU REQUEST GAMESALAD TO SELL YOUR SUBMISSIONS ON YOUR BEHALF PURSUANT TO PUBLISHING SERVICES THAT GAMESALAD MAY OFFER UNDER SEPARATE TERMS OF SERVICE, GAMESALAD WILL NOT SELL YOUR SUBMISSIONS TO ANY THIRD PARTY. GameSalad is not required to provide: (a) any attribution to you in connection with your Submissions, except to the extent you

request attribution as set forth below; (b) any prior notice to you of any use of your Submissions for the purposes specified in clauses (iii) or (iv) of this section; or © any fees, royalties, or other payments to you. You may remove your Executable Package from the Site by accessing your Account and following the removal procedure specified on the Site; provided however, that such removal will not affect GameSalad's continued right to use your Submissions pursuant to clauses (iii) and (iv) of this paragraph.

You acknowledge and agree that GameSalad may collect certain data arising from and regarding the use of your Submissions by users of the Site and Services, that GameSalad shall own all right, title and interest in such data, and that GameSalad has no obligation to share with you any such data.

As we explain [here](#), GameSalad may collect certain data arising from and regarding the use of Submissions. If you upload applications built with GameSalad to the iOS App Store, then you will need to comply with the iOS Developer Program License Agreement's provision regarding the collection and use of user data. GameSalad strives to ensure that the collection of any user data from your applications does comply with the iOS Developer Program License Agreement. As the agreement allows, we collect user data for the limited purpose of providing a service or function that is directly relevant to the use of your iOS applications (such as ensuring the proper functioning of features such as leaderboards and achievements), or to serve advertising in connection with such applications.

However, for you to comply with the iOS Developer Program License Agreement, you also need to notify users of your iOS application that you, or your third party service providers such as GameSalad, may collect such user data for the purposes described above. In connection with this notification requirement, we suggest that you include specific language in any privacy policies applicable to your application that you, or your third party service providers, may collect user or device data for such limited purposes.

You may deliver to GameSalad your own EULA for any Submission at the time that you provide your Submission to GameSalad; provided, however, that your EULA must comply with applicable laws. GameSalad will notify each end user that the end user's use of that Submission is subject to the terms and conditions of your EULA (if any) and allow each end user to review your EULA at the time that GameSalad provides access to your Submission. If you do not furnish your own EULA for any Submission, then you acknowledge and agree that each end user's use of that Submission will be subject to GameSalad's standard EULA.

You hereby acknowledge that the EULA for each of your Submissions is solely between you and the end user, and neither GameSalad nor its distributors or agents will be responsible for, and/or have any liability whatsoever under, any EULA or any breach by you or any end user of any of the terms and conditions of any EULA.

15. Attribution

When posting a Submission to the Site through the Services, you will have the ability to select one of the following options with respect to each Submission: (i) not to share your Submission with other users of the Site and Services; (ii) to share your Submission with other users of the Site and Services under the licenses granted above, without requiring any kind of attribution to you; or (iii) to share your Submission with other users of the Site and Services under the licenses granted above, and requiring attribution to you (in such form as reasonably determined by GameSalad). If you opt to require attribution, you hereby grant GameSalad an irrevocable, perpetual, non-exclusive, worldwide, fully paid-up, royalty-free, transferable, sublicensable (with the right to sublicense through multiple tiers) license (in any media, whether now known or hereafter developed) to use your name, user name and/or persona for the purposes of attributing you as the source of the Submission in connection with GameSalad exercising the rights granted by you above in connection with your Submission. If you select no option at the time you post your Submission, the default option will be that no attribution of any kind is required to be displayed with your Submission, and your Submission will not be shared with other users of the Site and Services. You represent and warrant that the use of your name, user name and/or persona in connection with your Submissions will not violate the right of any third party, including, without limitation, the right of privacy or publicity of any third party. You hereby waive all rights, and release and discharge GameSalad and its agents from, and will neither sue nor bring any proceeding against GameSalad or any third party for any claims, losses, demands, damages, liabilities, costs and expenses, including, without limitation, reasonable attorneys' fees, at law or in equity, whether for libel, violation of the right of privacy or right of publicity, infringement of copyright or other intellectual property or other proprietary right, or any other claim that you may now have, or may hereafter have, by reason of GameSalad's use of your name, user name and/or persona in connection with your Submissions.

16. Submission Rating and Content Restrictions

If requested by GameSalad, you will use the content rating tool set forth in the GameSalad Tool or otherwise provided as part of the submission process to supply information regarding each of the Submissions delivered by you to GameSalad in order to assign a rating to each such Submission. For purposes of assigning a rating to each of the Submissions, you will use your best efforts to provide correct and complete information about the content of that Submission with the content rating tool. Furthermore, you authorize GameSalad to correct the rating of any Submission of yours that has been assigned an incorrect rating; and you agree to any such corrected rating.

You represent and warrant that your Submission will not contain, or contain links to, content which is unlawful, libelous, pornographic, offensive, defamatory, contrary to public policy, GameSalad's stated policies, or otherwise violates any law or any right of any third party (including intellectual property rights, publicity rights, privacy rights, or other legally recognized rights).

You agree that you will not upload, post, submit or otherwise make available on the Site or through the Services any Submissions or Feedback protected by copyright, trademark, patent, trade secret, or any other intellectual property or other proprietary right without the express prior permission of the legal owner of such right, and the burden of determining whether any material is protected by, or infringes, misappropriates or violates, any such right is your sole and exclusive responsibility. As between you and GameSalad and the other Indemnified Parties (as defined below), you will be solely liable for any claims, losses, or damage resulting from any such infringement, misappropriation or violation of such rights, or any other harm resulting from any Submissions or Feedback that you provide.

You represent and warrant that: (i) you have the right to enter into this Agreement; (ii) you own all Submissions and Feedback provided by you on or through the Site or Services or you otherwise have the legal right to grant the licenses to GameSalad as set forth in these Terms; (iii) you have the right to reproduce and distribute each of the Submissions, and to authorize GameSalad to permit end users to download and use each of the Submissions; (iv) none of the Submissions or Feedback, or GameSalad's or end users' permitted uses of those Submissions and Feedback, violate or infringe, or will violate or infringe, any patent, copyright, trademark, trade secret, privacy, or publicity rights, or other intellectual property, proprietary or contractual rights, of any other person, firm, corporation or other entity; and (v) all information you provided to GameSalad in your Account and using the GameSalad Tool and, including any information relating to the Submissions, is accurate and that, if any such information ceases to be accurate, you will promptly update it to be accurate.

GameSalad reserves the right to limit the number of Submissions and amount of Feedback that you can upload or provide (in total or simultaneously) to the Site or through the Services, at any time, and without notice.

If you submit an Executable Package to Apple, Inc. ("Apple") or any third party web site or product provider, GameSalad is not responsible, and has no liability to you, if Apple or any third party web site or product provider rejects, fails to approve, and/or fails to make any game embodied in such Executable Package available for use on or with the relevant Apple or third party web site or product. Furthermore, you acknowledge and agree that your interactions and dealings with any third party in connection with your use of the Site and/or Services (including, without limitation, Apple, other web site and product providers, and other users of the Site and Services) are solely between you and such third party. GameSalad is not responsible for any loss or damage of any sort incurred by you, or any third party, as a result of any third

party rejection, act, omission, failure, interaction or dealing, and GameSalad has no obligation to become involved in any resulting dispute.

17. Rules of Conduct

This list of prohibitions provides examples of prohibited conduct, and is not intended to be a complete or exclusive list of all prohibitions. Without limiting the rights and remedies available to it, GameSalad reserves the right in its sole discretion, to: (a) suspend or terminate access to your Account, the Site and/or the Services or your ability to post to the Site or the Services; and (b) refuse, delete, remove, move or edit the

GameSalad may report to law enforcement authorities any actions that may be illegal, and any reports it receives of such conduct. When legally required, or otherwise in GameSalad's sole discretion, GameSalad will cooperate with law enforcement agencies in any investigation of alleged illegal activity conducted using the Site and/or the Services. GameSalad does not, and cannot, review all Feedback posted to the Site or through the Services, or review every Submission for compliance with these Terms. These prohibitions do not require GameSalad to monitor, police, remove or reject any Submissions, Feedback or other information submitted by you or any other user.

18. Electronic Communications

By using the Site and Services, you consent to receive electronic communications from GameSalad, its parents, affiliates, subsidiaries and third party service providers. These electronic communications may include notices about applicable fees and other charges, transactional information and other information concerning the Site and Services. These electronic communications are part of your relationship with GameSalad and you receive them as a condition to you being permitted to use the Site and Services. You agree that any notices, agreements, disclosures or other communications that we send to you electronically will satisfy any legal communication requirements, including that such communications be in writing.

19. Termination of Services and Your Account

You may lose your user name and/or persona as a result of Account termination. If you have more than one Account, GameSalad may terminate all of your Accounts, user names and personas. GameSalad may, but is not required to, provide you with notice before terminating your Account. If your

Account is terminated for any reason, no refunds or credits of any Fee-Based Services fees, or other fees will be paid to you.

All of GameSalad's obligations hereunder, will terminate upon the expiration or termination of these Terms.

In the event that you no longer have the legal right to distribute the Submissions, or to authorize GameSalad to allow access to those Submissions by end users, you will promptly withdraw those Submissions from the Site; provided, however, that such withdrawal by you under will not relieve you of any of your obligations to GameSalad under these Terms, or any liability to GameSalad and/or any end user with respect to those Submissions.

You agree that fees hereunder are based in part on the limitation of warranty, limitation of liability and remedies set forth in these Terms.

Some jurisdictions may not allow the exclusion or limitation of incidental, special, consequential, or other damages, so the above limitations or exclusions may not apply to you. You hereby agree to defend, indemnify and hold harmless GameSalad, its parent, affiliates, and subsidiaries, and its and their officers, directors, employees, contractors, licensors, licensees, third party service providers, and agents (each an "Indemnified Party") from and against any and all claims, actions, proceedings, demands, losses, costs, damages, liabilities, and expenses (including, without limitation, fees of attorneys and experts and costs of defense) incurred by the Indemnified Party in connection with any actual or alleged claim arising out of or related to: (i) your use or misuse of the Site, Services, Software or Content, or the use or misuse of the Site, Services, Software or Content by any person using your Account, user name or

persona; (ii) any breach by you of these Terms or any other terms applicable to your use of the Site, Services, Software or Content in any manner; (iii) any actual or alleged violation or non-compliance by you with any applicable local, state, federal or international law, rule or regulation, including, without limitation, the infringement, misappropriation or violation of the intellectual property rights or other proprietary rights, privacy rights, publicity rights, or any other rights of a third party; (iv) any interactions or dealings by you with other users of the Site and Services or any other third party in connection with your use of the Site and/or Services (including, without limitation, Apple and other web site and product providers); (v) any damage caused or alleged to have been caused by you to the Site, Service, Software or Content; and (vi) any use of the Submissions, Feedback or other materials you provide to GameSalad in connection with your use of the Site and Services, or any Submissions or Feedback provided by any person using your Account, user name or persona.

Counsel you select for defense or settlement of a claim must be reasonably acceptable to GameSalad and/or the other affected Indemnified Party(s) before such counsel can be engaged to represent you and GameSalad and/or the other Indemnified Party(s). You and your counsel will cooperate as fully as reasonably required, and provide such information as reasonably requested, by the relevant GameSalad and/or the other Indemnified Party(s) in the defense or settlement of any claim. If a change happens to our business, then the new owners may use your personal data in the same way as set out in this Privacy Policy.

We require all third parties to respect the security of your personal data and to treat it in accordance with the law. We do not allow our third party service providers to use your personal data for their own purposes and only permit them to process your personal data for specified purposes and in accordance with our instructions.

Data security

We have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorized way, altered or disclosed. In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to

know. They will only process your personal data on our instructions and they are subject to a duty of confidentiality.

We have put in place procedures to deal with any suspected personal data breach and will notify you and any applicable regulator of a breach where we are legally required to do so.

Data retention

We will only retain your personal data for as long as necessary to fulfil the purposes we collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorised use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements.

You can request further details of retention periods for different aspects of your personal data by contacting us.

In some circumstances we may anonymize your personal data (so that it can no longer be associated with you) for research or statistical purposes in which case we may use this information indefinitely without further notice to you.

Your legal rights

Under certain circumstances, you have the following rights under data protection laws in relation to your personal data:

- **Request access** to your personal data (commonly known as a "data subject access request"). This enables you to receive a copy of the personal data we hold about you and to check that we are lawfully processing it.

- **Request correction** of the personal data that we hold about you. This enables you to have any incomplete or inaccurate data we hold about you corrected, though we may need to verify the accuracy of the new data you provide to us.
- **Request erasure** of your personal data. This enables you to ask us to delete or remove personal data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your personal data where you have successfully exercised your right to object to processing (see below), where we may have processed your information unlawfully or where we are required to erase your personal data to comply with local law. Note, however, that we may not always be able to comply with your request of erasure for specific legal reasons which will be notified to you, if applicable, at the time of your request.
- **Object to processing** of your personal data where we are relying on a legitimate interest (or those of a third party) and there is something about your particular situation which makes you want to object to processing on this ground as you feel it impacts on your fundamental rights and freedoms. You also have the right to object where we are processing your personal data for direct marketing purposes. In some cases, we may demonstrate that we have compelling legitimate grounds to process your information which override your rights and freedoms.
- **Request restriction of processing** of your personal data. This enables you to ask us to suspend the processing of your personal data in the following scenarios: (a) if you want us to establish the data's accuracy; (b) where our use of the data is unlawful but you do not want us to erase it; (c) where you need us to hold the data even if we no longer require it as you need it to establish, exercise or defend legal claims; or (d) you have objected to our use of your data but we need to verify whether we have overriding legitimate grounds to use it.
- **Request the transfer** of your personal data to you or to a third party. We will provide to you, or a third party you have chosen, your personal data in a structured, commonly used, machine-readable format. Note that this right only applies to automated information which you initially provided consent for us to use or where we used the information to perform a contract with you.
- **Withdraw consent at any time** where we are relying on consent to process your personal data. However, this will not affect the lawfulness of any processing carried out before you withdraw your consent. If you withdraw your consent, we may not be able to provide certain products or services to you. We will advise you if this is the case at the time you withdraw your consent.

If you wish to exercise any of the rights set out above, please [contact us](#).

No fee usually required

You will not have to pay a fee to access your personal data (or to exercise any of the other rights). However, we may charge a reasonable fee if your request is clearly unfounded, repetitive or excessive. Alternatively, we may refuse to comply with your request in these circumstances.

What we may need from you

We may need to request specific information from you to help us confirm your identity and ensure your right to access your personal data (or to exercise any of your other rights). This is a security measure to ensure that personal data is not disclosed to any person who has no right to receive it. We may also contact you to ask you for further information in relation to your request to speed up our response.

Time limit to respond

We try to respond to all legitimate requests within one month. Occasionally it may take us longer than a month if your request is particularly complex or you have made a number of requests. In this case, we will notify you and keep you updated.

The County of Henrico, Virginia (the "**County**"), a political subdivision of the Commonwealth of Virginia, and _____ ("**Supplier**"), a [state] [corporation/LLC/etc.], are this day entering into an agreement for [title of wraparound contract/RFP/etc.] (the "**Agreement**") and, for their mutual convenience, the parties are using the standard form contract ("**[title of Supplier's form: EULA, etc.]**") provided by Supplier ("**Contract**"). This License Agreement Addendum ("**LAA**"), duly signed by the County and Supplier (each a "**Party**"), is attached to and made a part of the Agreement and the Contract by incorporation, and with the Agreement governs the use of any and all software licensed by the County under the Agreement (the "**Software**") and this LAA.

As used in this LAA, the term "**Contract**" means the Supplier's standard form contract and any and all exhibits and attachments thereto. The term(s) "**Customer**", "**You**" or "**you**" as used in the Contract and this LAA, means, as applicable, the County, or any of their officers, directors, agents or employees.

Supplier represents and warrants that it is a [State][corporation/LLC/etc.] authorized to do in business in Virginia. If Supplier is not a U.S.-based entity, Supplier maintains a registered agent and a certification of authority to do business in Virginia.

Supplier's Contract is generally acceptable to the County, with the exceptions noted in this LAA below. Despite the general acceptability of the Contract, certain standard clauses may appear in, or be incorporated by reference into, the Contract that cannot be accepted by the County. In consideration of the convenience of using Supplier's standard form contract without the necessity of specifically negotiating a separate contract document, the Parties specifically agree that any of the following provisions contained in the Contract are deemed void and will not have any effect and will not be enforceable against any Customer:

1. Requiring the application of the law of any state other than the Commonwealth of Virginia in interpreting or enforcing the Contract or requiring or permitting that any dispute under the Contract be resolved in any court other than the state courts located in Henrico County, Virginia;
2. Requiring any total or partial compensation or payment for lost profit or liquidated damages by any Customer if the Contract is terminated before the end of its ordinary term;
3. Imposing any interest charge(s) contrary to that specified by § 2.2-4347 et seq. of the Code of Virginia;
4. Requiring the County to maintain any type of insurance for Supplier's benefit;
5. Granting Supplier a security interest in any property of the County;

7. Limiting or adding to the time period within which claims can be made or actions can be brought (Reference Tit. 8.01 of the Code of Virginia);
8. Limiting selection and approval of counsel and approval of any settlement in any claim arising under the Contract and in which the County is a named party;
9. Binding the County to any arbitration or to the decision of any arbitration board, commission, panel or other entity;
10. Obligating the County to pay costs of collection or attorney's fees;
11. Requiring any dispute resolution procedure(s) other than those in accordance with § 2.2-4363 et seq. of the Code of Virginia;
12. Permitting Supplier to access any of the County's records or data, except pursuant to court order;
13. Permitting Supplier to use any information provided by the County except for Supplier's own internal administrative purposes;
14. Requiring the County to limit its rights or waive its remedies at law or in equity;

15. Bestowing any right, or incurring any obligation, that is beyond the duly granted authority of the undersigned representative of the County to bestow, or incur, on behalf of the County;
16. Establishing a presumption of severe or irreparable harm to Supplier by the actions or inactions of the County;
17. Limiting the liability of Supplier for property damage, death, or personal injury;
18. Permitting Supplier to assign, subcontract, delegate or otherwise convey the Contract, or any of its rights and obligations under the Contract, to any entity without the prior written consent of the County, except as set forth in paragraph 39 below;
19. Not complying with the contractual claims provision § 2.2-4363 of the Code of Virginia, which is also incorporated into this LAA and the Contract by reference;
20. Enforcing the United Nations Convention on Contracts for the International Sale of Goods and all other laws and international treaties or conventions relating to the sale of goods. They are expressly disclaimed. UCITA shall apply to the Contract only to the extent required by § 59.1-501.15 of the Code of Virginia;
21. Not complying with all applicable federal, state, and local laws, regulations, and ordinances;
22. Requiring that the County waive its sovereign immunity or its immunity;
23. Requiring that the County, which is tax exempt, be responsible for payment of any taxes, duties, or penalties;
24. Requiring or construing that any provision in this Contract conveys any rights or interest in the County's data to Supplier;
25. Requiring the use of foreign currency. The currency used for the Contract will be United States Dollars;
26. Obligating the County beyond approved and appropriated funding. All payment obligations from the County under the Contract are subject to receipt of necessary appropriations from the County's Board of Supervisors. In the event of non-appropriation of funds for the items under the Contract, the County may terminate, in whole or in part, the Contract or any order, for those goods or services for which funds have not been appropriated. This may extend to the renewal of maintenance services for only some of the licenses granted by Supplier. The County shall provide written notice to the Supplier as soon as possible after legislative action is completed. There will be no time limit for termination due to termination for lack of appropriations;
27. Permitting unilateral modification of the Contract by Supplier;
28. Permitting termination by Supplier of the Contract or the licenses granted pursuant to the Contract, or permitting suspension of services by Supplier, except pursuant to an order from a court of competent jurisdiction;
29. Requiring or stating that the terms of the Supplier's standard form contract will prevail over the terms of this LAA in the event of conflict;
30. Renewing or extending the Contract beyond the term set forth in the Agreement or automatically continuing the Contract period from term to term;
31. Requiring that the Contract be "accepted" or endorsed by the home office or by any other officer subsequent to signing by an official of the County before the Contract is considered in effect;
32. Delaying the acceptance of the Contract or its effective date beyond the date of signing;
33. Defining "perpetual" license rights to have any meaning other than license rights that exist in perpetuity unless otherwise terminated in accordance with the applicable provisions of the Contract;
34. Permitting modification or replacement of the Contract pursuant to any new release, update or upgrade of Software, or subsequent renewal of maintenance. If Supplier provides any update or upgrade subject to additional payment, the County will have the right to reject such update or upgrade;
35. Requiring the purchase of a new release, update, or upgrade of Software, or subsequent renewal of maintenance, in order for the County to receive or maintain the benefits of Supplier's indemnification of the County against any claims of infringement on any third-party intellectual property rights;
36. Prohibiting the County from transferring or assigning to any entity the Contract or any license to Software granted pursuant to the Contract;
37. Granting Supplier or an agent of Supplier the right to audit or examine the books, records, or accounts of the County; or

In addition to the provisions set forth above in this LAA, the Parties further agree as follows:

38. Supplier warrants that it is the owner of the Software or otherwise has the right to grant to the County the license to use the Software granted under the Contract without violating or infringing any law, rule, regulation, copyright, patent, trade secret, or other proprietary right of any third party.
39. Supplier may assign all or any of its rights and obligations to a third party as a result of a merger or acquisition or sale of all or substantially all of its assets to the third party so long as Supplier's assignee agrees in writing to be bound by the terms and conditions set forth in the Contract, and provided the third party is a U.S.-based entity or

maintains a registered agent and a certification of authority to do business in Virginia. Supplier may assign all or any of its rights and obligations to an affiliate of Supplier, provided Supplier remains liable for the affiliate's compliance with the terms and conditions set forth in this Contract

HENRICO COUNTY PUBLIC SCHOOLS DATA SECURITY AGREEMENT

This Data Security Agreement ("Agreement") is agreed upon effective _____, 2018, by and between _____, ("Vendor") and the County School Board of Henrico County, Virginia ("School Board" or "HCPS").

I. DEFINITIONS

- A. **HCPS Data:** HCPS Data is any and all data that HCPS has disclosed to Vendor. For the purposes of this Agreement, HCPS Data does not cease to be HCPS Data solely because it is transferred or transmitted beyond HCPS's immediate possession, custody, or control.
- B. **Data Breach:** The unauthorized access and acquisition of computerized data that materially compromises the security or confidentiality of confidential or sensitive personal information maintained by HCPS as part of a database of personal information regarding multiple individuals and that causes or HCPS reasonably believes has caused or will cause loss or injury to any HCPS constituent.
- C. **System:** An assembly of components that supports an operational role or accomplishes a specific objective. This may include a discrete set of information resources (network, server, computer, software, application, operating system or storage devices) organized for the collection, processing, maintenance, use, sharing, dissemination, or disposition of information.
- D. **Contract.** Shall mean the contract between Vendor and HCPS outlining the services to be provided.

II. DISCLOSURE OF HCPS DATA

- A. The Vendor shall not disclose HCPS Data in any manner that would constitute a violation of state or federal law or the terms of this agreement including, without limitation, by means of outsourcing, sharing, retransfer, or access, to any person or entity, except:
- B. Employees or agents who actually and legitimately need to access or use HCPS Data in the performance of Vendor's duties to HCPS;
- C. Such third parties, such as but not limited to, vendors, suppliers or subcontractors, but only after such third party has agreed in writing and in advance of any disclosure, to be bound by confidentiality terms at least as stringent as the terms of this Agreement; or
- D. Any other third party approved by HCPS in writing and in advance of any disclosure, but only to the extent of such approval.

- E. The Vendor may also store HCPS Data on servers housed in datacenters owned and operated by third parties, provided the third parties take reasonable precautions to protect the security and confidentiality of HCPS data.

III. USE OF, STORAGE OF, OR ACCESS TO HCPS DATA

- A. Vendor shall only use, store, or access HCPS data:
 - 1. In accordance with, and only to the extent permissible under the contract for services; and
 - 2. In full compliance with any and all applicable laws and regulations, only to the extent applicable to Vendor, including the Family Educational Rights and Privacy Act (FERPA); and
- B. Vendor agrees that the use, storage, and access to HCPS Data shall be performed with that degree of skill, care, and judgment customarily accepted as sound, quality, and professional practices. Vendor shall implement and maintain safeguards necessary to ensure the confidentiality, availability, and integrity of HCPS Data. Vendor shall also implement and maintain any safeguards required to be implemented by applicable state and federal laws and regulations.
- C. HCPS reserves the right to request security information reasonably necessary to ascertain HCPS's own compliance with state and federal data privacy laws.
- D. If Vendor becomes aware that HCPS Data may have been accessed, disclosed, or acquired without proper authorization and contrary to the terms of this Agreement or the Contract, Vendor shall use reasonable efforts to alert HCPS of any Data Breach within two business days, and shall immediately take such actions as may be necessary to preserve forensic evidence and eliminate the cause of the Data Breach. Vendor shall give highest priority to immediately correcting any Data Breach and shall devote such resources as may be required to accomplish that goal. Vendor shall provide HCPS information necessary to enable HCPS to fully understand the nature and scope of the Data Breach. Upon request, Vendor shall provide HCPS information about what Vendor has done or plans to do to mitigate any deleterious effect of the unauthorized use or disclosure of, or access to, HCPS Data. In the event that a Data Breach requires Vendor's assistance for mitigation, such assistance shall be provided at no cost to HCPS. HCPS may discontinue any services or products provided by Vendor and any payments to Vendor until HCPS, in its sole discretion, determines that the cause of the Data Breach has been sufficiently mitigated.
- E. If Vendor is served with any subpoena, discovery request, court order, or other legal request or command that calls for disclosure of any HCPS Data, Vendor shall promptly notify HCPS in writing and provide HCPS sufficient time to obtain a court order or take any other action HCPS deems necessary to prevent disclosure or otherwise protect HCPS Data. In such event, Vendor shall provide HCPS prompt and full assistance in HCPS's efforts to protect HCPS Data. Where Vendor is prohibited by law from notifying HCPS of a legal request for HCPS Data, Vendor will comply with all applicable laws and regulations with respect to the requested HCPS Data.
- F. Upon expiration or termination of the Contract, Vendor shall ensure that no Data Breach occurs and shall follow HCPS's instructions as to the preservation, transfer, or destruction of HCPS Data. The method of destruction shall be accomplished by "purging" or "physical destruction", in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88. Upon request by HCPS, Vendor shall certify in writing to HCPS that return or destruction of data has been completed. Prior to such return or destruction, Vendor shall continue to protect HCPS Data in accordance with this Agreement.

- G. This Agreement shall survive the expiration or earlier termination of the Contract. However, upon expiration or termination of the Contract, either party may terminate this Agreement.

County of Henrico, VA**

Inc.

Offerer: GameSalad, Inc.

Executive Summary

GameSalad develops software to aid in the creation of video games and attending curriculum to allow students to learn video game design and computer science fundamentals used in the process of building video games. GameSalad's goal is to: "Turn game players into game creators".

GameSalad has been in business since 2009 and has been serving educational institutions since 2014. GameSalad implemented progress monitoring in 2019 as an in-product system for tracking student progress through tutorials and scoring of in product quizzes.

GameSalad is used in over 150 schools worldwide serving over 10,000 students. Implementations of similar scope to HCPS have been successfully implemented in districts such as Brownsville ISD and Union County Public Schools.

For this contract, GameSalad will provide 3 employees total, 2 support employees (customer success and technical) as well as 1 school / district liaison. This district liaison will be the primary contract and will be Julie Froehling who can be reached via email at education@gamesalad.com or julie@gamesalad.com. Julie Froehling will provide training, with other employees as needed.

Scope of Work

A. General Requirements

1. The proposed solution shall provide:
 - a. GameSalad Web Creator is Web-Based. Students learn and proactive coding concepts and computer science fundamental principles, ie computational thinking, through building a guided series of different types of mobile-format games. No downloaded materials are required.
 - b. Teacher Resources include:
 - i. Printable lesson plans
 - ii. Lesson plans include a pacing/timing guide
 - iii. Student activities and projects with instructor solutions, including an instructor-only "answer key" completed example game for each unit with completed game logic .
 - iv. Auto-graded multiple choice quiz questions.

- c. Student Units and Assignments have controlled access, available to students at the teacher's discretion.
- d. Lesson Plans are aligned to CSTA Standards.
- e. Content is appropriate for diverse middle school students, grades 6-8. All game units can be completed as specified in the step-by-step instructions or expanded to include more complexity for advanced learners. Additional content appropriate for diverse high school students grades 9-12 guides students through constructing their own original game from scratch.
- f. Technical support for all teachers including real-time assistance if needed during class time.
- g. A toll-free number for help desk support is provided to HCPS from 8am-5pm EST M-F.
- h. A dedicated account representative is provided to HCPS.

2. Training is provided for 1-2 hours in a synchronous, virtual format to introduce teachers to the platform, inform how to find materials and use instructor resources and answer questions.

Implementation

No subconsultants are necessary for direct implementation and support of this contract, though we will from time-to-time work with independent contractors to write new learning content that may be available during the course of this contract. GameSalad works with many schools during the course of a school year and will have no issues meeting the terms of this contract.

GameSalad's current workload is compatible with an August 1, 2021 implementation. The company anticipates and accommodates an uptick in implementations around the traditional beginning of the K12 US school year. Julie Froehling is the responsible party for receiving and implementing the platform for HCPS per the timeline as follows:

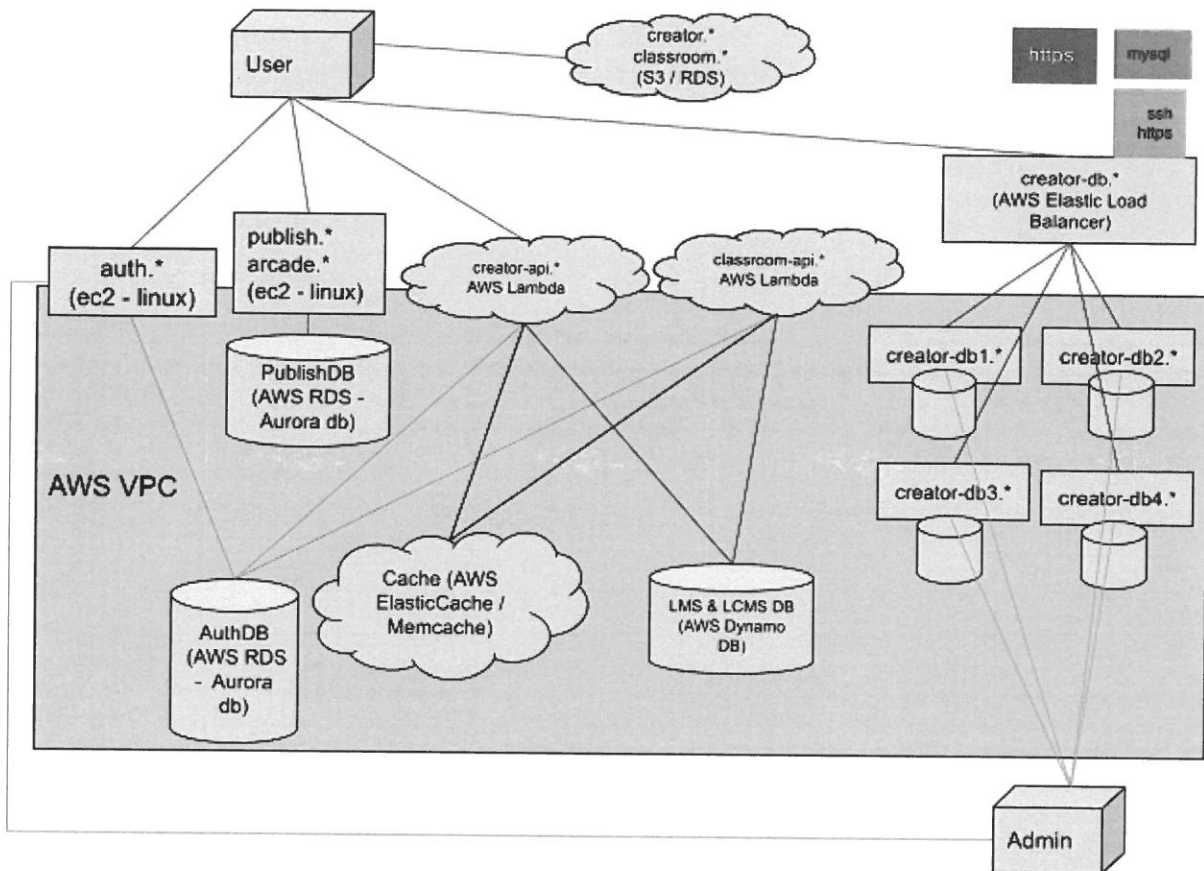

Licenses will be provisioned upon receipt of a purchase order or other similar confirmation. If students will be self provisioning via our "class code" sign up flow, then no other interactions are required. If pre-provisioned anonymous student accounts are requested, GameSalad must inform us at least 48 hours before the start of class / use of accounts. If student accounts are to be created using student information, intent must be conveyed at least 1 business week prior to the start of class / use of accounts so that an SFTP account can be provisioned. Student information must be provided at least 48 hours prior to the start of class / use of accounts. Alternatively student information may be uploaded via our secure web form.

Technology

Network Topology

GameSalad for Education systems are hosted on Amazon AWS using AWS's Security Groups as a firewall to prevent access to unauthorized ports. Open ports are either required by the

application (https) or are encrypted (ssh). Server admin ports are only open to authorized IP addresses.

GameSalad's environment is a (public) environment in that all users share the same environment. No special servers are created for a specific user.

Scalability

GameSalad's authentication and publishing servers support hundreds of thousands of simultaneous users as part of our offering to both consumer and education customers.

GameSalad Creator's main UI is hosted on Amazon S3 and CloudFront. GameSalad Creator's app specific REST APIs are built on top of AWS Lambda, allowing them to scale as needed.

GameSalad Creator's Databases are load distributed to allow for growth as needed and have no problem supporting our current user load.

30ms latency is not possible for all parts of our system (specifically tutorial content delivery, which currently has a higher, but consistent latency). While we are improving that part of our

system, the current latency is not tied to traffic, but to a constant access latency in a particular operation and we've seen no problems with users in real usage.

We currently cannot prove the ability to support 60,000 concurrent users, as we don't have that many, but we also believe that because our system only supports a subset of your userbase, this should not be a problem.

As evidence of the concurrency we do have, we are using the following query via Amazon Athena (sql query over s3 text files):

```
select AVG (concurrent_users), MAX(concurrent_users), MIN(concurrent_users)
from (
  SELECT count(http_x_gamesalad_id) concurrent_users
  FROM auth_proxy_logs_prod
  GROUP BY
  DATE(from_iso8601_timestamp(cloudwatch_time)),
  HOUR(from_iso8601_timestamp(cloudwatch_time))
)
```

This query runs over the apache style log entries for the proxy to our document database servers. The query is counting distinct users over each hour of the day. The results of that query show an average of 38 users and a maximum of 448 concurrent users. Despite the number of students we serve, not all of them access at once and because our system runs mostly in browser and only syncs with the server as needed, the concurrent user count the server sees is often lower than the actual number of concurrent users.

Sandbox Environment

GameSalad, as a fully live environment, does not currently support sandboxed environments. That being said, teachers and admins may create as many "classes" as they wish, and treat some of those classes as "sandboxes". Customers may evaluate the "live" environment through a trial license.

Authentication, Account provisioning, and data exchange.

GameSalad allows for automated provisioning through a code based individual sign-up flow. Teachers create "classes" which are assigned code strings. Students who sign up using those codes are provisioned a license if they do not already have one and are enrolled in the class.

Alternatively, we provision "anonymous" accounts for students so that teachers can assign an account to a student.

Finally, we can make available an SFTP login or secure web-form for teachers or administrators who would like to provision accounts using student data. Data requested includes student login

email address, username (optional), and student name (First Initial, Last Name, or vice versa per teacher preference).

Students can be authenticated against GameSalad accounts or using Google Authentication.

Platform Requirements

Platforms require the usage of a current version of Google Chrome or Firefox. While we do not test on Microsoft Edge, we believe there will be minimal problems using it. While the software will work on Safari, we discourage its use due to local storage limitations Safari enforces.

Bandwidth usage is contingent on student usage as students have the ability to upload their own assets and view video tutorials. While GameSalad doesn't have specific requirements, we believe a connection that can be used to stream videos on youtube or a similar site will be sufficient to use GameSalad.

GameSalad Web Creator can be accessed from the following devices: laptops, desktops, Chromebooks with at least 2GB RAM, or iPads.

The cloud-based user interface is delivered over the internet via wireless LANs to the client's browser. The intuitive user interface allows ease of use by teachers and students.

Other requirements

Terms & Policies

Our Terms of Service are available: <https://gamesalad.com/terms> and our privacy policy is available: <https://gamesalad.com/privacy/>

Please note that our policy pages cover both Consumer Developers and Educational users and specific terms are called out for each usage. For instance, data usage is much more restrictive as required by most educational settings for Education users. The terms reflect GameSalad's adherence to FERPA and COPPA for education users.

ADA Notes

GameSalad is a visual platform for building video games as a visual medium. While we have made best efforts to support accessibility standards (including appropriate HTML augmentation for screen readers), we strongly suggest teachers find alternate platforms for blind students. Through ensuring proper contrast and color usage we believe the product will pose no problems for students with other vision impairments.
